# Habiba Ahmed

## System and Biomedical Engineering Student

## Education

2015–2020 Systems and Biomedical Engineering, Cairo University (GPA: 3.78)

2013–2015 Oruba International High School (American Diploma)

## Competitions

1/08/2018 – 14/10/2018 Hospital System Innovation Competition, Cairo University Faculty of Engineering

19/10/2018 – 20/10/2018 IEEEExtreme Programming Competition

## Experience

08/2018–Present Media Member @ ESL  
Embedded System Laboratory

08/2018–09/2018 Biomedical Machines Trainee @ Al Qasr Al Ayni

07/2017–06/2018 Vice President @ Hand In Hand  
Charity Student Activity

09/2017–05/2018 Head Public Relation @ BEAT  
Biomedical Engineering Awareness and Technology

06/2017–09/2017 Fundrasing Member @ International Student Conference  
2017 Organizing Member @ The 2nd Biomedical Engineering Careers in the Egyptian Market Conference

2016–2017 Mechanic Representative for 1st year of Biomedical Engineering Batch, Cairo University

02/2017–09/2017 Relation Member @ BEAT

09/2016–06/2017 Logistics and Decoration Member @ Energia Powered  
Educational Student Activity

## Personal Projects

### HNA hospital (Competition Project)

A smart registration, data access and storage hospital system

### Medium (Web Development Project)

A simulation for medium.com website

### Immature Babies Nursery

A baby incubator simulation using arduino, Color Sensor, Thermistor, and Turbine Flow Sensor

### Question and Answer Game

A python GUI game where a player answer various questions related to his choosen subject

# Interpersonal Skills

- ✓ Leadership
- ✓ Positive attitude
- ✓ Time Management
- ✓ Assiduous
- ✓ Organized
- ✓ Communicative
- ✓ Hardworker
- ✓ Team Management
- ✓ Strong work ethics
- ✓ Disciplined

# Languages

German	●	○	○	○	○
English	●	●	●	●	●
Arabic	●	●	●	●	●

# Interests

Solving Codes, Web Development, Basketball & Reading

## Blood Transfusion Warmer

A blood IV tubing simulation using arduino, : Thermistor, and Heater

## Tooth Abscess Detection

A tooth abscess detection project using arduino, Tilt, Photo-diode, Photo-resistor(LDR) and Photo-transistor

# Certifications

9/2018–Present	Blockchain Intro Certification authority IBM
9/2018–Present	Cloud Intro Certification authority IBM
4/2017–Present	Work Smarter, Not Harder: Time Management for Personal & Professional Productivity Certification authority Coursera
2/2017–Present	Project Management: The Basics for Success Certification authority Coursera
